VEGAS CLUB ANNOUNCES HOST OF NEW VENUES

***New Offerings – a Sexy Fetish Pit, Keno Lounge,
Live Music Dance Club and Nail Salon***

Las Vegas, Nev. – The venerable Vegas Club Hotel & Casino has undergone some significant and exciting transformations. The casino announced today that it has stepped up its offerings with four brand new gaming and entertainment venues: a fetish themed casino pit, live music dance club, all new Keno lounge as well as a professional nail salon & spa. Strong relationships between casino hosts and long-time regulars were the impetus for some of the changes you can see happening this month as management relied on asking their best customers what they wanted to see in the coming year.

What do you get when you ask downtowners for their input? So far, the wildest idea to come about yet is the all new, low-limit ***Fetish Pit***, where your dealer will be dressed as a naughty nurse, sexy school girl, risqué female cop or leather-clad biker chick while pole dancing go-go girls shake their money-makers on a raised platform. The sexy fun begins at 7 p.m. every Thursday, Friday and Saturday night.

Foxy's Dance Club & Frisky's Bar also opened their doors for the first time last Thursday. Dancing to live music is just more fun, especially when it comes from Foxy's outrageously talented R&B house band – Next Movement. Next Movement has played the best showrooms in America for 35 years as well as Oprah Winfrey's New Year's Eve bash, causing her to declare them the best vocal group in Chicago. Foxy's is open Thursday through Sunday from 8:30 p.m. to 2 a.m.

Keno is back at the Vegas Club with an all new ***Keno Lounge***. Knowledgeable players can now relax in comfort, sign up for a Player's Club card and earn credit toward free merchandise and complimentary meals at any of the Vegas Club or Plaza Hotel & Casinos' numerous restaurants. Keno is now available from 12 noon until 10 p.m. Sunday through Thursday and noon until midnight Friday and Saturday.

-more-

“We want to give people more of the things they want,” said Tony Bender, vice president of marketing for the Vegas Club, referring to the opening last month of *Expressions Nails & Spa* on the ground floor. “We're happy that our guests can now stop in for a manicure or pedicure without having to leave the hotel.” He added “Expressions has already had a great response from downtown Las Vegas visitors who prefer not to stray very far and tend to avoid the more expensive spas on the Strip.” Expressions Nails & Spa is open Monday through Saturday from 10 a.m. to 7 p.m. and 10 a.m. to 5p.m. on Sunday. For an appointment, the nail salon and spa can be reached via the front desk or by calling the Vegas Club at (702) 385-1664. Walk-ins are also welcome.

Since the 1960's The Vegas Club has repeatedly expanded and updated its venues and services to change with the times. Existing in some form as long as there has been a Fremont Street, the southeast corner of Main Street & Fremont was home to the Overland Hotel (1905), parts of which are still present in the historic Vegas Club's façade. Remarkably successful throughout the years, The Vegas Club's loyal clientele are staunch and unswerving in their devotion. Bender says “Some people have been coming for decades, and we see a lot of folks who come here because their parents and even grandparents stayed here; so it's actually generational loyalty in some cases. We have really reached out to our core regulars to get a sense of what they wanted.”
