**Bags To Go™ Expanding Baggage Check-in Service  
to the Newly Renovated Plaza Hotel and Casino in Las Vegas**

**Downtown Luggage Convenience Service Available Beginning Oct. 18**

LAS VEGAS – Oct. 17, 2011 – Visitors to the newly reopened Plaza Hotel and Casino in Las Vegas will soon have the option of checking in their luggage for departure at the hotel thanks to Bags To Go’s Off-Airport Check-in service. Hotel guests can simply bring their luggage to the Bags To Go kiosk up to 12 hours prior to departure and check them through to their final destination. Guests can also print out their boarding passes, meaning they can proceed directly to the security line upon arrival at McCarran International Airport.

A Bags To Go representative safely and securely transports luggage from the Plaza to McCarran Airport, where it is screened by Transportation Security Administration (TSA) and given to the designated carrier to be placed on the proper outbound aircraft. Bags To Go is approved by the TSA to check-in, screen and handle airline luggage. Representatives are trained and certified using the same stringent guidelines as the airlines.

“Customer service and convenience are the cornerstones of the new Plaza Hotel and Casino,” says Tanya Hoff, director of hotel operations. “Bags To Go will make traveling easier for our guests. This service allows them to spend their last few hours in Las Vegas enjoying our new amenities instead of worrying about lugging their luggage around and waiting to check in their baggage at the airport.”

Keith Wiater, COO and president of Bags To Go, adds, “Travel days are stressful enough with flight delays, security lines and ticket costs. Bags To Go gives you one less thing to worry about. Just drop your bags off at our counter, located next to the Bell Desk, on the day of departure and head directly to your gate when you arrive at McCarran Airport. Your bags will be waiting in the baggage claim area at your final destination.”

Participating airlines at McCarran International Airport include Delta Air Lines, Southwest Airlines, United Airlines, US Airways and Virgin Atlantic Airlines. The \$10 per bag fee is in addition to standard airline fees and taxes.
