Zaba's is proud to have made this contribution to two charities that do so much for the children in Nevada's foster care programs.

Downtown has been craving a fast-casual Mexican food option for years and now Zaba's Mexican Grill is here. The restaurant is open 7 days a week from 10 a.m. to midnight (and until 2 a.m. on Friday and Saturday nights) inside the Plaza Hotel & Casino.

Customers choose from a variety of ingredients so they can decide which of their favorite flavors they want to include in their dish. Whether they build a huge "monster" burrito or a fresh salad, everyone leaves satisfied. Zaba's offers healthy menu choices that are not typical of most other fast service restaurants such as shrimp, sweet potatoes, whole wheat tortillas and brown rice. Everything including the chips, guacamole and salsas are fresh-made daily. Zaba's also offers a huge selection of vegetarian choices making it possibly the healthiest, best tasting choice in downtown Las Vegas.

**About Zaba's Mexican Grill**

Zaba's Mexican Grill opened its first location on the corner of Flamingo and Pecos in 2001. Over the last 11 years it has grown to 6 locations in the Las Vegas area. Zaba's is Las Vegas's original walk up, fast service Mexican restaurant where customers choose their dish and each ingredient. From bowls to burritos to the best fish tacos in Las Vegas, you can get fresh, homemade food quickly and inexpensively at any of Zaba's six Las Vegas locations. Co-owner Douglas Bolle has created a menu featuring original recipes prepared fresh daily onsite and reflecting the concerns of today's health-conscious diner who demands fast service to fit a busy schedule but refuses to compromise taste and originality. Each meal is custom made as the customer directs the type of ingredients they want while they watch it being prepared. [www.zabas.com](http://www.zabas.com)
