Las Vegas Lights soccer shoot out game debuts at Plaza Hotel & Casino

LAS VEGAS – Offering a player-friendly and diverse casino floor with penny slots, classic coin machines and the industry’s newest games, the Plaza Hotel & Casino has added a brand new kiosk game that highlights the surging popularity of the city’s soccer team, the Las Vegas Lights FC. The new kiosk game rewards attendees of Las Vegas Lights FC games with the chance to win a bevy of prizes.

To play, guests need to bring to the Plaza’s Royal Rewards Player’s Club a valid ticket from a Las Vegas Lights game within the last 7 days. The Shoot Out game allows guests to select their Las Vegas Lights soccer player and try to kick a goal in a simulated soccer game to win prizes that range from dining credits, gifts, points and up to \$1,000 in free slot play.

The kiosk game created by Micro Gaming Technologies (MGT) debuted earlier this month and will be available for play for the 7 days following every Las Vegas Lights home game this season, now through October. A complete list of Las Vegas Lights home games is online at <https://www.lasvegaslightsfc.com/usl-team-schedule>.
